Introduction

Sunnyside Par 3 located right here in Queensbury offers you a unique opportunity to hold your company, group or family style event.

The Par 3 golf course offers a great venue to build your event around. With holes about 60-140 yards long, players of all skill levels can enjoy a day of golf. We have a choice of multiple golf formats from a totally relaxed environment of “Goofy Golf”, a best ball team format or a fully competitive individual play format.

Sunnyside can then offer food options to fit your groups tastes as well as your budget. We can provide you a picnic style outdoor barbeque with the typical fare of hot dogs, hamburgers and your choice of summer salads. For those desiring a more elaborate meal, we can easily provide a barbeque chicken or a full steak dinner to meet your groups needs.

The Sunnyside clubhouse offers you the option of moving your event indoors to include a sit-down meal or to hold a business meeting with the ability to seat 40-60 people.

The Sunnyside team is very flexible to assist you in developing your event in a way to make your event a huge success and meet your business or personal objectives.
